

August 2017

At FRIEDA, we believe everyone's lives are richer if they connect with people of other generations.

So we've created a space where people of all ages and backgrounds can meet, eat, drink, share, learn, and create. A serene setting where everyone is treated equally: with respect and kindness.

Join a drawing class, social media workshop, language class, film screening, bridge club – or even start an activity of your own.

And while you're here, know that any money you spend at FRIEDA helps us create fair-wage jobs for people of all generations – many of them retired, but still needing to work to make ends meet – as well as support our Outreach Community Program.

All we ask is that you have an open mind. And treat the space, our team and each other with respect.

Discover what FRIEDA can be for you.
