

# February March 2018

FRIEDA is a social start-up business with the goal to (re)connect generations.

So we've created a space where people of all ages and backgrounds can meet, eat, drink, share, learn, and create. A serene setting where everyone is treated equally: with respect and kindness.

Please be aware that the classes are free but a cover-charge of \$6\* per person will be applied. (\*Note that the cover charge goes towards food and drink consumption)

This is your active support for the free programming that so many of you enjoy and for our Community Outreach. It also helps us create fair-wage jobs for people of all generations - many of whom are retired, but still needing to work to make ends meet.

All we ask is that you have an open mind. And treat the space, our team and each other with respect.

Discover what FRIEDA can be for you.
